

**OFFICIAL REGISTRATION - FAMILY REUNION  
PLEASE READ THE MESSAGE IN ITS ENTIRETY**

Greetings Familia:

Hope all is well with everyone. We would like to thank you for your continued patience with the planning committee as we approach the next phase in planning the reunion. Organizing the reunion has truly felt like juggling an additional full-time job on top of all our existing work and personal commitments. We have made huge strides and have finally come up with a cost for the activities we have planned.

**--Everyone Must Register--**

The goal of pre-registration was to have an idea of how many family members were going to attend the reunion, which made it possible for us to plan, seek vendors, and budget the costs. If someone missed the pre-registration period and are still interested in attending, you must have or request an invitation link. Any family member can share the Reunion link.

If you would like to request an invitation link:

- Go to the Family website ([click here](#)) and click on the Reunion button and register; or
- Send your email address to: [Email-Amaro Navarro Reunion](#).
- We will then send you an email with the invite link.
- Click on the link and register.

**Payment**

A PayPal Money Pool link has been created to accept payments for activities and for donations. The Reunion platform will direct you straight to PayPal to make payment.
